Part 28

ASSIGNMENT AND ASSUMPTION AGREEMENT, dated as of April 27, 1993, between ACF INDUSTRIES, INCORPORATED, a New Jersey corporation (the "Seller") and AMERICAN CAR LINE COMPANY, a Delaware corporation (the "Buyer"). Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to them in the Asset Purchase Agreement (as defined below).

WHEREAS, the Buyer and the Seller have entered into an Asset Purchase Agreement, dated as of April 27, 1993 (the "Asset Purchase Agreement"), in connection with the sale of 2,585 special purpose railcars described on Schedule 1 (the "Equipment"), subject to the Leases (as defined below), from the Seller to the Buyer for consideration in the amount and on the terms and conditions provided in the Asset Purchase Agreement; and

WHEREAS, the parties now desire to carry out the intent and purpose of the Asset Purchase Agreement by, among other things, the parties' execution and delivery of this instrument evidencing the assignment by the Seller of all of its rights, title and interest in and to the Leases (as defined below) to the extent they relate to the Equipment to the Buyer and the assumption by the Seller of all of the Buyer's obligations under the Leases.

NOW THEREFORE, in consideration of the premises and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. For purposes of this Agreement, "Leases" means all current leases of any one or more railcars included in the Equipment and all other contracts for use of any one or more railcars included in the Equipment more specifically described on Schedule 1, including, without limitation, all extensions, renewals, supplements and modifications of any of the foregoing. If any of the Leases (including, without limitation, any master lease) shall include both Equipment and railcars not part of the Equipment, then such Leases shall be subject to this Agreement only to the extent they cover Equipment; and for purposes of this Agreement, the term Lease shall mean a lease (including without limitation, the provisions of any master lease) only insofar as such lease applies to Equipment subject to this Agreement.

2. Effective on the Closing Date, the Seller hereby sells, transfers, assigns, conveys, grants and sets over to the Buyer, its successors and assigns forever, all of the Seller's rights, title and interest as of the Closing Date in and to the Leases, as fully and entirely as the same

would have been held and enjoyed by the Seller as if this assignment had not been made.

3. Effective on the Closing Date, the Buyer accepts, assumes, takes over and succeeds to all of the Seller's rights, title and interest as of the Closing Date in and to the Leases, and the Buyer hereby covenants and agrees to discharge, perform and comply with, and to be bound by, all the terms, conditions, provisions, obligations, covenants and duties of the Seller under the Leases (but only to the extent it relates to the period from and after the Closing Date), as if the Buyer were an original party thereto.

4. The Seller hereby covenants and agrees that, at any time and from time to time after the date hereof, at the request and expense of the Buyer, the Seller will promptly and duly execute and deliver, or cause to be executed and delivered, to the Buyer all such further instruments and take all such further action as may be reasonably requested by the Buyer to more effectively sell, transfer, assign, convey, grant and set over the Leases to the Buyer.

5. The Buyer hereby agrees that, at the request and expense of the Seller, it will hereafter execute any further assumptions or instruments of transfer or conveyance as may be reasonably requested by the Seller to assume the Leases or to release the Seller and its affiliates from their obligations under or on account of the Leases so long as such release will not prejudice the Buyer's rights, title and interest in and to the Leases.

6. This instrument shall be binding upon the Buyer and the Seller, their respective successors and assigns, for the use and purposes set forth and referred to herein, effective as of the date hereof.

7. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment and Assumption Agreement to be executed in Earth City, Missouri, by their duly authorized officers as of this 27th day of April, 1993.
